## NOSE

Complex and rich, the 2022 Reserve Marquette expresses fresh berry fruit layered with dried fruit, spice, and integrated oak notes.

## PALATE

The distinctly concentrated flavours in the Reserve Marquette are attributed to the appassimento process where grapes are dried prior to fermentation. The drying process concentrates and deepens the flavours and tannin structure of the wine which is further intensified by aging in French oak barrels.

## PAIRINGS

Pair with foods to match this wine's depth and complexity—charbroiled ribeyes, lamb chops, slow-roasted beef and creamy mushroom cream sauce.

## NOTES

Mercator Vineyards is planted in a unique coastal terroir alongside the Bay of Fundy where the world's highest tides influence our soils and generate our temperature-moderating tidal winds.
