

GRAND BANKER SAUVIGNON BLANC

A distinct style of Sauvignon Blanc, this wine is influenced by a cool coastal cool, coastal climate which encourages herbaceous characteristics, natural acidity and minerality. Lively and aromatic with notes of kiwi and lime, the flavours have a fresh, crisp, zesty expression which is lighter and more subtle than riper examples of this grape variety. Enjoy with grilled fish and spring vegetables.

Grand Banker		White		3 L		12.5% Alc./Vol.		\$40.99
